

How to Request SketchCop FACETTE activation key

You have two options when requesting your SketchCop FACETTE activation key:

- Use without any time restriction (Full License - Purchase)
- Use during a Trial/Evaluation Period (2 months or as agreed)

Licensing with an activation key allows you to test the full version of SketchCop FACETTE during a trial/evaluation period with the complete range of facial components. Or, to purchase your full license for use without a time restriction.

To request your activation key:

- Start SketchCop FACETTE in administrator mode.
- Send us your license request.
- We will send you an activation code by e-mail.
- **REMEMBER** - The activation code applies **ONLY** to the computer system from which the license was requested.

Refer below for illustrated directions on requesting your license.

Request License

1. Go to the menu and select "Help", a drop-down menu will appear. Select - Request License.
